## **Future Opportunities for EDECT**

Annemarie Kokosy, ISEN-Lille, France Pierre Boitte, Université Catholique de Lille, France

EDECT Cluster Conference – October 8<sup>th</sup> 2014

"Investing in your future"

Crossborder cooperation programme 2007-2013 Part-financed by the European Union (European Regional Development Fund)

The EDECT idea

• The user in the center of the development process

**Ethics and Social Sciences** 

"Investing in your future" Crossborder cooperation programme 007-2013 Part-financed by the European Union

Main challenges to co-create assistive technology

- Identify the more relevant stakeholders and rally them to contribute
  - Create and develop the network

"Investing in your future" Crossborder cooperation programme 007-2013 Part-financed by the European Union

Main challenges to co-create assistive technology

 Find the best way to involve the stakeholders from the beginning of the process
 Create a methodology

- Test, experiment and continuous feedback of the methodology
  - Create pilot sites

"Investing in your future" Crossborder cooperation programme 2007-2013 Part-financed by the European Union (European Regional Development Fund)

## Main challenges to co-create assistive technology

- Find the best way to mesure the expected outcomes (improvement of quality of life, empowerment)
  - Identify the relevant criteria for proving the impact
- Coach and train the stakeholders
  Assistive technology 2.0 (reference to Health 2.0)

"Investing in your future" Crossborder cooperation programme 2007-2013 Part-financed by the European Union (European Regional Development Fund)
